Defendants complain that it drives up the costs of litigation and makes settlements more difficult. Some states have adopted disclosure requirements. Recently, the Insurance services Offices approved the Litigation Funding Mutual Endorsement.

What is the history that led to the drafting of this new endorsement? What will its impact be on litigation? What are policyholders and carriers saying?

**ABOUT THE INSURANCE LAW SECTION OF THE STATE BAR OF TEXAS**

The purpose of the Insurance Law Section is to comprehensively address many substantive areas of Texas insurance law. Its goal is to have a bi-partisan focus, balancing the interests of both policyholder lawyers and insurance company lawyers. The Section will seek to provide a forum for the Texas practitioner where all areas of substantive insurance law and procedural aspects of insurance litigation are addressed. Some of those areas include environmental coverage, directors' and officers' coverage, professional liability coverage, reinsurance coverage, agent/broker issues, London market issues, emerging coverage issues, regulatory issues and many others.
